

Moondance Rose

Rosa 'Moondance'

Height: 5 feet

Spread: 4 feet

Sunlight: ○

Hardiness Zone: 4

Group/Class: Floribunda Rose

Description:

This variety is an even more vigorous bloomer than its parent, 'Iceberg'; illuminates the garden with even larger clusters of densely petaled creamy white blooms and a sweet raspberry fragrance; remarkably trouble free; especially resistant to mildew

Ornamental Features

Moondance Rose is bathed in stunning lightly-scented white flowers with creamy white centers at the ends of the branches from mid spring to mid fall. The flowers are excellent for cutting. It has dark green deciduous foliage. The glossy oval compound leaves do not develop any appreciable fall color.

Landscape Attributes

Moondance Rose is a multi-stemmed deciduous shrub with an upright spreading habit of growth. Its average texture blends into the landscape, but can be balanced by one or two finer or coarser trees or shrubs for an effective composition.

This shrub will require occasional maintenance and upkeep, and is best pruned in late winter once the threat of extreme cold has passed. It is a good choice for attracting bees to your yard. It has no significant negative characteristics.

Moondance Rose is recommended for the following landscape applications;

- Accent
- Mass Planting
- Hedges/Screening
- General Garden Use

Planting & Growing

Moondance Rose will grow to be about 5 feet tall at maturity, with a spread of 4 feet. It tends to fill out right to the ground and therefore doesn't necessarily require facer plants in front, and is suitable for planting under power lines. It grows at a fast rate, and under ideal conditions can be expected to live for approximately 30 years.

This shrub should only be grown in full sunlight. It does best in average to evenly moist conditions, but will not tolerate standing water. It is not particular as to soil type or pH. It is highly tolerant of urban pollution and will even thrive in inner city environments. This particular variety is an interspecific hybrid.
